Yes! "I want to save money on my phone bill"

Most businesses do not realize how much money they can save!

As a Cable & Wireless Jamaica Limited Business Partner, Advanced Teletronics Repairs & Service Limited is authorized to provide you with a range of Cable & Wireless services including (but not limited to) telecommunication products, services, equipment, business solutions and connectivity.

We will provide you with professional advice on how to maximize benefits from your telecommunications system, and reduce the costs of your phone bill.

Advanced Teletronics Repairs and Service Limited offers total voice and data communications solution packages; with competitive telecommunication services through our Business Partner relationship with Cable & Wireless Jamaica Limited. If your business already has a relationship or contract with another carrier, Advanced Teletronics Repairs and Service Limited can still assist with repairs and refurbishing your telecommunication phones and equipment.

From repairing a simple phone to installation of complex business systems; Advanced Teletronics Repairs and Service is your single point of contact for all your telecommunication requirements.
